

is your business benefiting from the nmds-sc?

save time and avoid submitting the same workforce information to CSCI

You can now download the **AQAA Workforce Report**, a single page report from your NMDS-SC, which you can use instead of filling in the workforce section of CSCI's revised Annual Quality Assurance Assessment (AQAA). Either print it off or email it with your AQAA form. NMDS-SC Online even lets you know if there is any information missing so you can be assured that when you send the report it is fully up to date!

compare pay rates with other local care homes/domiciliary care agencies

The **Establishment Report** feeds back to you the NMDS-SC information you've provided about your establishment and compares it with information from a comparator group. The comparator group is made up of establishments providing the same main service as your establishment, in the same Skills for Care region.

the nmds-sc can help you meet the training needs of your staff

The **Training and Qualifications Report** provides detailed analysis of your worker's qualification data by using key variables including job role, age, gender, ethnicity and employment status and aims to help you understand your own workforce and staff training needs.

the nmds-sc can help you to gather the information needed to access funding

If your information is up to date you can use the detail from your NMDS-SC reports to identify training needs which will help when claiming for TSI funding for Induction and for NVQ training of your staff.

where can you find these reports?

These are just a few of the NMDS-SC reports available to you. Access your personal reports when logged in to your NMDS-SC account. Once logged in, click on 'Reports' and access this key management information.

update your information

The reports are only as good as the data that you enter so make sure you keep your information up to date. Its easy to keep your information up to date and you can do this as many times as you need to. If you get distracted don't worry you can save and go back to it later!
